Coca-Cola presents winners with 32” HD LCD televisions

NATALIE COLLINS AND ROSLYN GREENE are the winners of Coca-Cola’s recently concluded ‘Don’t Miss a Shot’ Promotion held in Shell outlets across the island.

Collins and Greene each received a 32-inch high definition LCD television. To enter Collins and Greene submitted their receipts for purchases of 6-packs of Coca-Cola, Coca-Cola Zero or Coca-Cola Light along with their contact details.

Collins said, “I do not usually enter competitions and it was actually the cashier at Shell Speightstown who encouraged me to enter. It was a pleasant surprise when I received the call that I had won!”

Fellow winner Greene, a confessed Coca-Cola fan said she too is pleased with her win. Greene submitted her winning entry at Shell Black Rock.
